In order to access your benefits, you will need the following Standard Building Solutions Inc. Mortgage Discount Corporate Code **GAF**.

Please hold onto this, without it, you can not get the benefits offered.

ABOUT THIS PROGRAM:

This program is run through American Federal Mortgage Corporation one of the largest privately held mortgage bankers in the nation and has been a leader in mortgage lending since its inception in 1987. American Federal has implemented this unique mortgage discount program to many companies who have the qualifications to participate. This high-volume exposure provides the perfect formula needed to pass on substantial discounts and services to the participants.

Welcome to our network!
