- Compare the coverage levels side-by-side.
- Get to know the carriers through [Your Carrier Connection](#)—get overviews, compare features and services, and access preview sites to see provider networks and prescription drug information.

Enroll

Log on to the Your Benefits Resources website at myhranywhere.com/benefits and click **Enroll Now**. Or you can enroll through the Alight Mobile app (available through the Apple App Store or Google Play).

- Before going through each plan individually, start by using the Help Me Choose tool. Enter your information, including current doctors, prescriptions, dependents and more, and the tool will give you ratings for each plan and provider, based on what you've entered.
- See how others evaluated the health insurance carriers by looking at carrier ratings for customer service, provider networks, and online experience.

Once you've completed your enrollment online, you can view your coverages and follow-ups on a confirmation page. You can also view this information through the Your Benefits Resources website any time throughout the year.

Remember, you must enroll to have coverage through your company. If you don't enroll, you'll have:

- No medical or prescription drug coverage.
- No Health Savings Account (HSA) contributions, if eligible.
- No dental coverage.
- No vision coverage.
- No flexible spending account (FSA).

Use Your Benefits

Throughout the year, there are lots of ways to stay on top of your health, and to make the most of your benefits and your health care dollars. Make sure you're up to speed before your benefits take effect.
